EDUCATION WITH CARE—CARING, RESPONSIBLE, LIFE LONG LEARNERS

Kia ora koutou katoa,

Last Friday I was able to join our junior team for their trip to the strawberry farm and Thornton beach park. All the children had a fantastic time and were a pleasure to be with.

A huge thank you to parents who came along and supported this trip. Without your assistance trips like these cannot go ahead.

Yesterday we held our senior athletics. It was great to have parents back on the side lines supporting our children. Thank you. Congratulations to all students and best wishes to those going to the Rangitaiki Athletics on Tuesday the 15th of November.

Just a small reminder, some local school are experiencing a resurgence of COVID. If your child is feeling unwell please keep them at home. This helps to keep our school whanau safe.

We do have an excellent supply of RATS tests and masks if you need them. Just call in to school and see Roberta or Jamie at the front office.

Next Thursday is our school photo day. Every child has been given a separate newsletter about this. So please check your child's bag.

In preparation for our end of year reports teachers are completing assessments on all children in their class. These include reading/writing and maths. End of year reports will be sent home on December 7th.

It has been decided that we will no longer have stationery for sale in 2023. Unfortunately it is no longer viable for our school to carry large quantities of stationery. Lists will be sent home at the end of the year and you will be able to purchase your child's stationery in town at a competitive price.

Today and tomorrow we are holding our preschool visits. Room 1/2 is buzzing with activities and excited chatter. I have included some photos below that capture this morning.

Have a great week

Kim {Acting principal}
